Take a little, take a lot. Aurora Heights SW-35 consists of 47.24 +/- acres of residential development lands sitting on the east side of Broadway Avenue(Range Road 272). There are many of the initial approvals, clearing, and grading work being completed for a residential community. The lands are located between Highway 2 and Highway 2A, the access to the highways and the town makes these lands perfectly situated for ease of access to all amenities. Seller is willing to subdivide off a portion in order to create your ideal development, this could allow for you to invest your capital in phases coinciding with your sales.

This quarter has a lot of improvements including the initial approvals, clearing the site, rough grading of the entire quarter, some underground servicing, subdivision approval of phases 2D and design drawings of the same.
