Residential on 0.28 Acres

NONE, Alix, Alberta

WELCOME TO ALBERTA! Great big 100'X120' lot with an old home in the great town of Alix, for a price too beautiful to ignore. A person is certainly going to need to do work on the house, but it's a good square footage on the main floor, a concrete foundation and a number of the windows have been updated. Two bedrooms with a really easy option to make a third, and with basement development maybe even a fourth/fifth. Once renovated and healthy again, a house this size would likely command \$1000-1200 per month in rent. These are two separate lots on one title and Alix is great to deal with should someone have some potential ideas for the bare lot. Three good garden sheds accompany the property. Alix rocks! They have all the essential amenities, a full school, a wicked golf course and the worlds cutest little lake complete with beach, park and over 6kms of nature trail around it for the hikers. Buffalo Lake, largest lake in Alberta south of Edmonton, is just 20 minutes away if you're looking for fishing or watersports! If you get a chance, swing into Sweet Crumbs Bakery, Jeannie's Pizza Pantry or Big Bubba's Bar & Grill for the greatest feature of all - the lovely people who live there!
