Welcome to Westridge, one of Westmount's most desirable communities! This well-maintained and freshly updated home offers incredible value and plenty of space for the whole family.

As you step inside, you're welcomed by a bright and open entryway with a soaring 18-foot ceiling that makes a great first impression. The main floor features brand-new flooring, fresh paint throughout, and a layout that's both functional and welcoming.

There's a large front office with French doors and a big window—perfect for working from home. The open-concept kitchen, dining, and living area is great for gatherings, with bay windows letting in tons of natural light and offering a lovely view of the private backyard. The stone fireplace in the living room adds a cozy touch for colder days.

Upstairs, you'll find three comfortable bedrooms, a flexible bonus space or library, and two full bathrooms with skylights that brighten up the space. The primary bedroom has lots of room and a walk-in closet.

The fully finished basement adds even more living space, including in-floor heating, a fourth

bedroom, den, large family room, and another full bathroom—perfect for guests, teens, or movie nights.
