Mobile on 0.00 Acres

Rocky Mountain Estates, Rocky Mountain House, Alberta

This Mobile is in Rocky Mountain House Estates Mobile Home Park at the end of the block. The lot is HUGE, treed, private with no neighbors on the east side. There is a streetlight on the corner for safety and for those late nights you come home from work or play. The front of the yard has room for an RV or 1-2 vehicles to park side by side. The completely fenced yard has a shed and raised garden beds. Once inside you will appreciate the new carpet in the living room, hallway and both bedrooms and fresh paint. Enjoy your newly renovated open kitchen and dinette with neutral laminate flooring, featuring a beautiful live edge countertop, tasteful backsplash and stainless steel appliances with plenty of cupboard space and a pantry. You will find your washer/dryer in the hallway central to the bedrooms. In the first bedroom is the water heater that was replaced in 2020, hidden below the electrical panel. Next you come to the inside entrance to the addition, where you will find a hobby room complete with a wood stove. The main 4-piece renovated bathroom has a soaker tub and shower. The spacious primary bedroom has access to the same bathroom for convenience. This is one pretty little property that requires a new deck to complete the package.
