Here’s your opportunity to own a lovingly
maintained home in the desirable community
of Heritage Hills offering a walkout
basement, mountain views, and a long list of
upgraded features that truly set it apart.

Step inside and you’ll appreciate the
neutral color palette, knockdown ceilings, and
a thoughtful layout that balances everyday
comfort with style. The main floor features
hardwood and tile flooring, a spacious tile
entry, and a bright open-concept design with
9’ ceilings throughout.

The kitchen is a chef’s dream complete
with a gas stove, island with eat-up
bar, corner pantry, and OTR microwave all
overlooking the great room and escarpment to
the west. Just off the kitchen is a spacious
dining nook, which leads onto the sunny
southwest-facing deck with gas BBQ outlet
perfect for evening relaxation or entertaining.
You’ll also find a tile mudroom with main
floor laundry, plus a convenient 2-piece
powder room to round out the main level.
Upstairs, the primary retreat is a highlight
featuring a ceiling fan, walk-in closet, and a
luxurious 5-piece ensuite with double sinks, a
jetted soaker tub, and a separate shower with

subway tile surround. 2 additional good sized bedrooms and a full 4 pce bath complete this level.

The fully finished walkout basement offers a dedicated home theatre space, rough-in for a future bathroom, and loads of extra storage.

There is great potential here to convert the space to an income generating suite as well, subject to approval and permitting by the TOWN/municipality. A convenient commercial plaza is just steps away, offering a pharmacy, daycare, wine store, restaurant, medical offices, gym and more.

Outside, the landscaped and fenced backyard is ideal for families, pets, or gardening – with lots of sun thanks to the southwest exposure.
